PAYMENT TERMS REFERENCE

Due on Receipt	Payment is expected when the job is done. Most small service businesses use this.
Net 15	Payment is due 15 days after the invoice date.
Net 30	Payment is due 30 days after the invoice date. Common for larger clients.
50% Deposit	Half paid upfront, half when the job is done. Good for large or new clients.
COD (Cash on Delivery)	Customer pays in cash when the work is completed.

FOLLOWING UP ON UNPAID INVOICES

Most late payments are just forgotten, not intentional. A polite follow-up almost always works.

Day 1–3 overdue	**Text or call:** *""Hey [name], just wanted to make sure you got the invoice I sent. Let me know if you have any questions.""*
Day 7 overdue	**Text or email:** *""Hi [name], following up on Invoice #___ for $___. It was due on ___. Please let me know when you can get that taken care of.""*
Day 14 overdue	**Formal email:** *""[Name], this is a second notice for Invoice #___ ($___), now 14 days past due. Please remit payment by [date] to avoid a late fee.""*
Day 30+ overdue	**Your choice:** *"Add a late fee if your terms allow it, or contact a local small claims court. In NC, small claims handles amounts up to $10,000."*
